SME COLORADO SECTION - FEBRUARY 2013 NEWS

Colorado School of Mines

The Colorado School of Mines is hosting the 35th Annual Intercollegiate Mining Games on campus March 14th through the 17th. It is expected that 50 teams will be in attendance from across the world, including South Africa and Germany. The women's and co-ed competitions will be held on Friday with the men's on Saturday and the open competition on Sunday. Everyone is welcome to attend any day or compete on Sunday.

Colorado School of Mines will also be hosting the second ever all college mine rescue competition at the Edgar Mine in Idaho Springs February 21st through the 23rd. There will be 5 teams competing including one from the University of British Columbia and one from Missouri S&T. Other schools that are interested in starting teams will be observing such as University of Alaska Fairbanks and University of Kentucky. For more information, contact Clancy Harmon, charman@mines.edu

December 2013 National Science Teachers Convention

The MEC Subsection (Minerals Education Coalition, formerly GEM) is once again hosting a teacher's outreach exhibit at the National Science Teachers Convention at the Colorado Convention Center in December 2013. This year's active members have selected the theme, "Minerals Make Life!" highlighting the use of mineral products in food and health products. We are actively seeking volunteers brainstorm the logistics, to prepare the mineral kits, to work the event, and donors (financial, storage space, transport and materials) to help cover the cost of the kits to be given to attending teachers. Members of the MEC will follow up with detailed updates as the date gets closer. As always, the outreach-focused MEC meetings are open to anyone that is interested, generally the first Friday of each month. Contact Subsection Chair, Dick Beach, dickbeach@alumni.mines.edu with questions or to volunteer.

SME Online Community

Don't forget to check out the SME Online Community and visit our Section's microsite, <http://community.smenet.org/Colorado/Home/> Through the online community, you can find section information, monthly meeting information, pay dues online, and so much more. By setting up your user profile, you can get connected with mentees, SME committees and divisions, and other SME members.

If you have any questions getting started with the online community, contact Heather Gravning, gravning@smenet.org. She is more than happy to help and can point you to online tutorials so you can get familiar with the community at your own pace.
