

# Get Caught Looking

The Society for Mining, Metallurgy, and Exploration (SME) is pleased to continue the **SME WINTER WEBINAR SERIES**. Webinars are an excellent professional development option without travel expense and inconvenience. Try it today!

## **James D. Humphrey**

*Senior Mining Market Professional, Caterpillar, Inc.*

**“Mining: It’s About the People:  
2013 SME Annual Meeting & Exhibit and CMA 115th  
National Western Mining Conference • February 24-27, 2013,  
Colorado Convention Center, Denver, Colorado”**

James D. Humphrey is the Senior Mining Market Professional for the Global Mining Division of Caterpillar. He has over 30 year’s world wide experience in the mining industry. His recent work with Caterpillar in the development of an autonomous haulage system has lead to ten patent applications. Humphrey is a Mining Engineering graduate of the University of Missouri – Rolla (Missouri School of Science and Technology), and he is a Professional Engineer in four states. In 2009 he was inducted into the Mining Academy of Missouri S&T. Humphrey has been a member of the SME for nearly 30 years and is a member of the SME Finance Committee and the Mining and Exploration Executive Committee. He is a contributing author to Surface Mining 2nd edition and the new Mining Engineering Handbook 3rd edition. As well, he has authored numerous technical papers and regularly chairs sessions at the SME annual meeting technical sessions.

### **Meeting Highlights include:**

**Record Breaking Exhibit:** 818 booths, 589 Exhibiting Companies, 290,000sq feet of exhibit space. Come to the industry market place and see the most innovative and progressive companies in business.

**96 Technical Sessions:** choose from Coal & Energy, Environmental, Geology, Industrial Minerals & Aggregates, Innovation in Mineral Processing, international, Mineral and Metallurgical Processing, Mining & Exploration, Underground Construction, valuation and much more.

**Keynote Session, Colorado Mining Association Program and much much more.**

**Thursday, February 14, 2013, 1:00 p.m. MDT • Cost: FREE!**
