

# introducing...

the online global mining and minerals library

The definitive global online digital research center for the entire mining and minerals community

**Visit the OneMine Room  
Salt Palace Convention Center  
Tuesday, February 26 and  
Wednesday, February 27, 2008  
9:00 AM – 5:00 PM**

Visit with the OneMine professional staff and review the new website!

OneMine is a worldwide initiative that provides:

- **A single source to find answers to technical questions**
- **A comprehensive body of mining and mineral knowledge**
- **Information accessible by anyone needing technical data**
- **Unlimited access and document downloads for participating society members**
- **A unique collaborative effort for the global mining and minerals industry**

For more information, or to give comments and suggestions, contact Project Administrator, Sally Kennerson at [kennerson@smenet.org](mailto:kennerson@smenet.org) or 303-948-4225
