

JOIN

by **January 23, 2009** and **SAVE \$130**
on 2009 SME Annual Meeting Registration Fees.

SME's Annual Meeting is the best opportunity to develop and sharpen your professional skills and knowledge. Technical presentations will feature new horizons and new challenges facing the minerals industry. Networking with 4,000 + professionals is priceless. The SME Exhibit will feature over 350 companies exhibiting state-of-the-art products and services that you won't want to miss.

SAVE AN ADDITIONAL \$100

when you register for short courses held in conjunction with the Meeting.

It's Easy!

Once your paid application is received and approved you will be given a member number which can be used to register at member rates (a savings of \$130 for the 2009 SME Annual Meeting).
